In this year of New Directions we traveled through the seasons and reclaimed our intuition with Vasalisa's Doll; our own unique voice with Pan's Flute; our inner guide with Sarasvati's Lotus Candle of Wisdom and Creativity.

We come together at Hallows Eve, gathering these special gifts, and end this mythic year by entering the realm of Baba Yaga gaining passion, desire, and commitment to personal evolution with a Flaming Skull (a vessel of ancestral knowing). Here, we seek the blessings, knowledge, and authority from our ancestors.

For the Ancestor Altar, bring a jar candle and, if you wish, a photo and/or a memento of a loved one/s who has crossed over who you would like to honor in community at this time of the year.

Join us as we honor the dark and connect with our ancestors this Hallows Eve. We ask the ancestors for guidance for the Earth, ourselves, each other, and community, through story, dance, song, and sacred enactment.
