

Imbolc Celebration: Illuminating the Inner Path

Sunday, February 1st, Arrival 10:30, Imbolc 11:00 a.m.
Center for Awakening Consciousness- Church of Truth
690 E. Orange Grove Blvd., Pasadena, CA 91104

Imbolc is the celebration of returning light, a sacred rite of purification and dedication. It is the day on which winter turns upward to the spring. Winter and death are cleansed away, and as the days lengthen, hope grows for the warmth of new life. It is a time for nurtured beginnings, a sweeping away of the past and an affirmation of things to come in the new year. Imbolc is a time of dedication and initiation, a time to make a fresh start, embrace possibilities, and trust in the mystery of the unknown.

Our 2015 Imbolc celebration will be a journey into the inner self with a journey through the Temple Labyrinth.

Walking a Sacred Labyrinth is an incredible way to propel 2015 into motion. This ancient tool is an initiation of your sacred purpose. The journey inward is a purification and clearing and the return journey is one of dedication and commitment. As we move into spring and begin seeding the year with our goals and dreams, you can utilize this sacred technique to lay the groundwork, set your intention, for the year you want to create in 2015.

Please join with Temple of the Goddess and the Center for Awakening Consciousness for a journey into and out of our Chartres-style, 20-foot Temple of the Goddess labyrinth set in the beautiful garden at the Center for Awakening Consciousness. You will have the opportunity to quiet your mind, open your heart, and walk with intention, into the inner realm of the self. This powerful experience while done individually is connected to the community experience.

There will be a pot-luck luncheon afterward, with conversation, to satisfy your body and your brain.

Tax-deductible donations gratefully accepted.
Suggested Donation \$10 - \$20 (no one turned away for lack of funds)
